

Kid's Christmas Explosion 2012

24th December 2012

Volume 1, Issue

Our 1st Annual Kid's Christmas Explosion

Children in line to be served a meal

Our 1st Annual **Kid's Christmas Explosion** was great.... we catered for 90 children plus adults. Our day started out rainy..... but we prayed and God answered, and the day became very clear, sunny, yet cool. The Children had a great time eating, playing, singing, bouncing on the bouncy castle and spinning on the merry-go-round.

Rev Smith shared with the Adults and children alike about making Jesus Christ the reason for the season by asking

Him to come into their hearts and change the way, they think, talk and walk.

As the day progressed we recognized the great need present in our Linstead communities and the many opportunities that exists to reach lost people for Christ through an holistic approach to sharing the magnitude of God's love.

Rev Michelle Smith & volunteers preparing a meal for the children

Rev Michelle Smith sharing the Word!

Thanks to:

- Our prayer partners
- Our sponsors
- Our volunteers
- Our encouragers
- Principal of Dint Hill Technical High School, who allowed us to use the school's grounds.
- The Principals & Guidance Counselors @ Rosemount & Linstead Primary & Junior High
- Community members— who made this day possible.

We Need:

- Your continued prayer, encouragement and support
- Your monetary contributions
- A building from which to operate and conduct our Discipleship Training classes every Thursday evening at 7pm

The need for Outreach highlighted

The need for outreach was highlighted in an even greater sense as we shared and ministered to the children and their parents.

A change of mindsets through the sharing of God's Kingdom within us is the only way to

understanding the purpose for which we were created. We all had this conversation before where we were fornicators, adulterers, wayward, needing salvation but we were all washed

(1 Corinthians 6:11). Parents/Guardians are overwhelmed by the daily challenges of raising their children in a society filled with negativity and immorality. Many are giving up.

We are even more committed than ever before to teach the Word of God.

We crave your prayerful support in this regard as we obey the command to "Go".
